INTERVIEW

Great photographs are all about getting to know you and having fun on the day.
An interview with you prior to the wedding,
ensures that all arrangements are accurate and the style of wedding photography is discussed.
Any special requirements can be arranged with Stephen at this stage
- it's usually too late after the event!
An appointment is essential for this interview.

LOCATIONS

Outdoor wedding photography is our specialty.
In case of adverse weather conditions please make suitable arrangements to use an indoor venue.
It is also necessary to gain any clearances/permission for photography during the wedding ceremony,
as some venues and/or officials do not allow the use of cameras/flash.
Please discuss these arrangements with Stephen at your interview.

PHOTOGRAPHS

All images are initially printed as proof sheets.
Please arrange a session with us to view and decide on the images you will be having printed to 7"x5" size.
If you wish to have more photos than are supplied with the coverage, a small charge applies.

Photographs are individually printed with a rich lustre finish.
They are usually ready 10 – 14 days after selection.
Should your photographs be required urgently, a surcharge may apply.

*BLACK & WHITE PHOTOS – As Stephen uses some of the latest technology available,
converting the colour images to black and white is a comparatively uncomplicated task.
A small conversion fee may be applicable.

ALBUMS

Coverages do not include an album. Albums can be arranged to suit your requirements.
Please discuss your album choice prior to your wedding day.
